1. West of the entrance to Gdansk (Danzig) harbor at the leading light (distance a good km. from entrance) some masts were constructed which [redacted] were radio masts. Some construction work was going on at the leading light so, therefore, it did not show correctly(sic).
2. Two watchtowers of the usual type were placed between the leading light and the entrance.
3. On Westerplatte, just east of the entrance, construction work was in progress. [redacted] barracks were being built. There were two railroad tracks in this area.
4. No more wrecks were seen in the harbor.
